**Don't Let Them Throw
Conservative Values
Under The Bus!**

7 reasons why!

Reason 1: John Arthur Eaves, Jr., is a rich trial lawyer out of touch with the average Mississippian. Eaves says, Lawsuit Reform was "a waste of time."

Reason 2: Jamie Franks is another Trial Lawyer who has an expensive taste for big government. He has never met a tax increase he didn't like.

Reason 3: Jim Hood used his public office to pay off his trial lawyer cronies with huge state government contracts.

Reason 4: Gary Anderson's primary win was bought by a \$250,000 campaign effort by a prominent trial lawyer.

Reason 5: Rob Smith opposes voter identification that would stop voter fraud and ensure fair elections.

Reason 6: Rickey Cole, the former Democrat Party Chairman boasts of his relationship with the ACLU and ultra-liberal Democrat National Chairman, Howard Dean.

Reason 7: Mike Sumrall wants to be State Auditor, but he admits he couldn't even pass the test to become a certified public accountant.
